# MATES

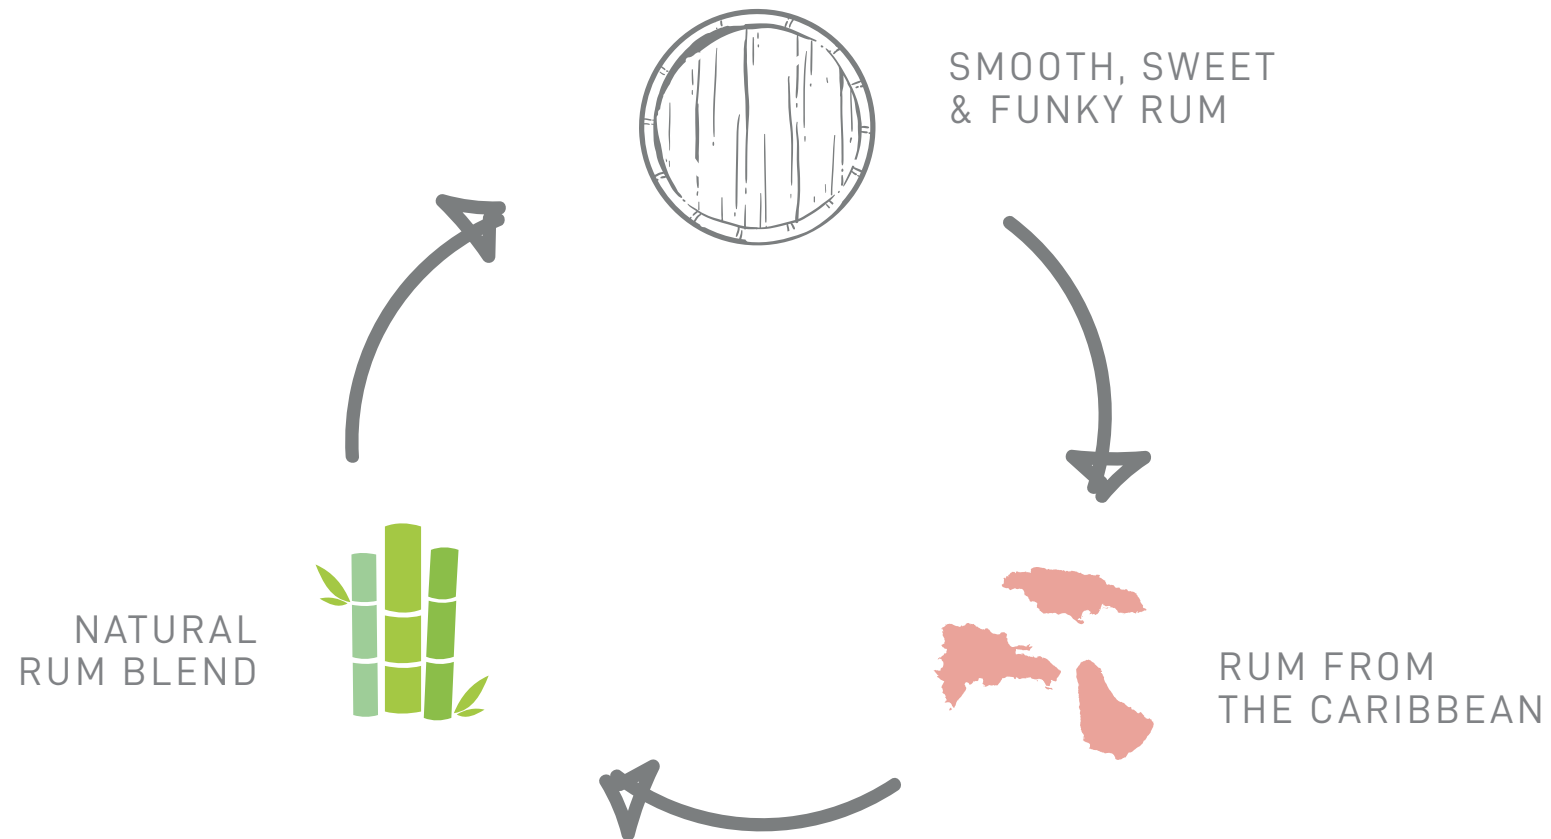

**A superb, unique and  
funky 3 to 5 year old rum blend.**

Our natural, premium quality and environment-friendly rum blend is one of a kind.

We decided to fuse natural rums without adding sugar or other additives. The result: a unique blend of Barbados and Dominican Republic rum, finished with a subtle trace of Jamaican pot still rum.

Mates Gold Rum is the perfect combination for a sweet, fruity and smooth drink that suits every moment with your mates. That is why we have created our symbol to show you the Mates moment but mainly to remind you that we live in an environment that we treasure and should keep clean.

WE LIKE THE SMELL OF *FUNKINESS*, THE TASTE OF **RUM**, THE SIGHT OF GOLD,  
THE SOUND OF *FRESHNESS*, AND A TOUCH OF THE **CARIBBEAN**.

THIS ONE IS FOR YOU **MATE**, CHEERS!

GOLD RUM

# THIS RUM IS FOR YOU MATE

Mates Mindset is to blend different types of naturally processed Rums without sugar or other flavour additives. In such to create a Golden combination! And we found it! So what's in it?

Firstly, Rum from Barbados, which is known for its English style Rum. This Rum has a wonderful, authentic flavor topped off with great smoothness.

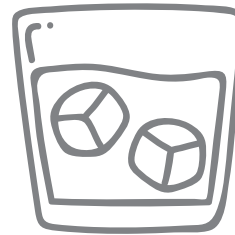

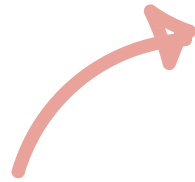

We blend this with Rum from the Dominican Republic. The Rum from this area is referred to as Spanish style Rum, known for its sweeter and smooth taste.

To add some funkiness and fruitiness to this combination, we added a bit of the Jamaican pot still Rum. The finishing touch to our unique and superb rum blends.
